

Bentley Village Pilot Survey for the Parish Plan

Please help us to identify the issues that most matter to you as a Bentley resident. This short form has been developed to highlight those matters that need to be included on a more in-depth questionnaire, which is planned to be circulated within a few months. There is space at the end for any comments about aspects of the village that you feel should be included in the discussions about a Parish Plan. If any younger people are interested in generating their own questionnaire please contact a member of the Parish Plan Group or Parish Council
